ANNUAL PARISH MEETING

We have again had some vital Committee members change and join along with new Staff members who have recently joined us this year.

We are still doing well with our fundraising drive with ideas in the pipeline. We have been able to obtain some super reading sacks, maths equipment and an outdoor shed to help maintain the life of our outside resources. (Please see the photo attached.) This year, we are looking to purchase an interactive white screen that will encourage the children's ICT skills within our setting. It will create rich learning opportunities for young children's literacy, mathematics and physical development learning.

We have recently had our Ofsted Inspection and received a very high 'Good'. We were so close to getting the 'Outstanding' were it not for a couple of things beyond our control at the time as Mrs Webster was about to start her maternity leave and Mrs Smith was in the throes of stepping up. This was done very professionally by both ladies with very little disruption for the children and is currently working well.

Our advertising poster that we had designed for last summer to encourage people to visit for a September start worked very well and our numbers are set to be good for this September also.

We are looking forward to a continued flourishing partnership with the PFSU and the Longworth parish council.
