

REPORT FOR THE ANNUAL VILLAGE MEETING - MAY 2016 FROM THE VILLAGE HALL

I am happy to report that we have had a good year with our bookings remaining fairly constant and our financial situation is sound. We have had no major repairs to contend with and we are very grateful to our volunteers who have been able to deal with the minor repairs thus keeping our costs at a minimum. We had our annual clean up outside and hedge trimming.

The Film Club has continued to be popular with good audiences. We have bought a larger screen which can now properly show the film with some of the profits and the rest goes towards the Hall running costs. Everyone appears to thoroughly enjoy the evenings and there is a great atmosphere in the hall. Our grateful thanks go to Linda Mascaro and Karen Best for organizing it for us.

There is an ongoing scheme to try and improve the storage and two new trolleys have been purchased and shelves made.

We have held no special events this year except for our annual free Christmas Coffee morning which was well attended.

As always thanks go to the committee for helping to keep the hall running smoothly.
