In March this year Meryllyn Dean stepped down from Chair of the Village Hall Management Committee and Nigel Parnell has kindly accepted the role starting from the autumn. Sue Sandbach is acting Chair until then.

We have had another good year with constant bookings and more exercise classes taking place which means our financial situation is very healthy.

Film Club is always popular and although Simon and Karen Best will be leaving, Nick and Pam Kane are taking over with the help of Linda Mascaro.

Our Christmas party was a great success with record numbers attending - this is a non profit making event, a way of getting as many villagers together in a social environment.

New fencing, planting and a new Hall sign are now in situ, tidying up the front of the site.

A trial coffee morning took place which was reasonably well attended - this may take place on a regular basis - again, a non-profit making event.

Many many thanks to Meryllyn who has put so much energy into her role as committee member for 25 years and Chair over the last 7 years and to the whole of the committee in keeping the Hall running smoothly.
